

Starting Year 7 Right

Make sure you begin feeling confident!

CONGRATS!

So... you have graduated primary school; high school awaits! If you are feeling a bit nervous, that's normal. Being organised is the key to success.

Here are some top tips to make sure you start Year 7 well!

1

WALL CALENDAR

Place a calendar up at home and write in assessment due dates

2

GOODBYE GAMES

Delete games off your school laptop so you don't get distracted

3

READ THE MARKING CRITERIA ON TASKS

Assessments are important; know what the markers want

Be organised

Print your timetable for your diary, locker & bedroom

Timetable ready

Pack your books into your bag the night before each school day

Use lunchtime

Which books do you need for homework? Pack them in at lunch so you can catch that bus after school!
